

Bendigo Academy of Sport

Golf Squad

2018-19

Information for the 2018-19

Golf Program

Introduction

The Bendigo Academy of Sport was founded in 1994 through a partnership between La Trobe University and the City of Greater Bendigo, to provide opportunities for young athletes and coaches to improve their sporting and life skills without having to travel to Melbourne.

We work with state sporting bodies and clubs to improve skills and have interacted with in excess of 2400 athletes and coaches.

Our programs provide opportunities and exposure for athletes to high performance sporting knowledge.

The knowledge that is developed through our programs allows the athletes and coaches along with their skills and knowledge to stay in our community, and in our region. Many athletes go on to obtain valuable qualifications outside of their sport and then return to our region.

Over the years we have numerous athletes achieve state and national representation. Many of our coaches coach at a state level one is currently an Australian coach.

Our Mission

To provide an environment in which our most talented athletes and our most qualified and ambitious coaches from Central & Northern Victoria receive the support required to enable them to achieve at the highest level in both sport and life.

Golf Program Includes:

- A specifically designed skill development delivered by Dean Dixon Certified PGA Professional (Golf Victoria Endorsed Bendigo Academy of Sport Golf Coach) including support from Golf Victoria Coach Paul Skinner who has worked with Golf Australia in the High Performance area
- Monthly training days [mostly Sundays] at Neanger Park Golf Club, Rich River Golf Club, Golf Vic State training facility—Spring Valley
- A specifically designed physical development program, together with fitness testing opportunities
- Access to professional Academy consultants
- A comprehensive personal development program, delivered by the consulting panel. Subjects covered may include, sport psychology, drugs in sport/gambling/match-fixing, general health and wellbeing, social media, podiatry, injury prevention and management, time management and public speaking.
- Entry In two tournaments
- 2019 Annual Presentation event
- Musculoskeletal Screening
- Fitness Testing and a Strength & Conditioning program
